Criteria for Administration of the Fund

A. Qualification for support will be considered on an individual basis according to the following considerations

1. Priority will be given to students who have demonstrated evidence of commitment, ambition and experience in Christian ministries. Years of faithful service will be considered. Students must attend METYouth on a regular basis.
2. The goals and objectives of the student must be in accordance with the doctrine and practice of the Metropolitan Bible Church.
3. The doctrinal statement and theology of the Bible School and course content must be in agreement with the doctrine and practice of the Metropolitan Bible Church.

5. This fund is available to high school students after Graduation from high school.

B. Amount of funding will be considered on an individual basis according to the following considerations:

1. The need will be based upon the financial position of individual and family.

A Scholarship Fund Committee including the youth pastor will decide how much a student receives. This will be considered by reviewing the following:

- a. Feasible family assistance
- b. Possible input by student through summer work, part-time work and scholarships
- c. Opportunities for student employment on the campus
- d. Availability of government grants and loans
- e. Amount in the fund

2. Balance in the Scholarship Fund

A minimum balance of \$500.00 will be maintained in the fund in order to keep it activated for future opportunities.

3. Funding will be in Canadian Dollars

C. Implementation of Scholarship

The scholarship may be accessed as follows:

1. Perceived needs that are recognized by the youth pastor and committee will be considered.
2. Students may apply for funds by sending a letter of interest and filling out an application form. Email entire application to info@metbiblechurch.ca.
3. Applications or referrals will be assessed by the Scholarship Fund Committee
4. Qualifying students attending Canadian charitable institutions will need to receive a letter indicating the amount of funding with a response to be mailed back to the church by the registrar of the Bible School or Christian University. The church will then forward the funds directly to the School.
5. Qualifying students attending institutions that are not a Registered Canadian Charity must provide documentation that they have paid their registration fees before they obtain any funding. They will then be provided with a T4 Supplementary form and a cheque for their Scholarship.

D. Limitations and Restrictions of Scholarship

1. This fund is available for a 2-year period and the student must apply for the scholarship each year. The application will be evaluated based upon new information given and updated performance. The student must be a full time student.
