

LEADER IN TRAINING (LIT) CONTRACT

Get your hands dirty for Jesus! We're looking for enthusiastic gals and guys to pitch in who will help camp to run smoothly. You'll learn what it takes to be a servant of Christ, and then you'll get to put what you learn into action right away.

The LIT team will be on call throughout the week to move in and get things done around the church. One day you might be welcoming campers in the parking lot as they arrive for VBC or peeling carrots in the kitchen; another day you might be setting up props for a Bible story or preparing craft materials. Every day you'll be making new friends as you work side by side, serving God.

Through this program, the participants will develop different skills:

1. Leadership
2. Problem-solving
3. Responsibility
4. Communication

Expectations of the participants:

1. To enroll in the program under their own desire to learn and grow as leaders.
2. To be willing to follow the training and receive constructive feedback.
3. To be actively involved in the activities of the camp and attentive to the children's needs. This includes avoiding distractions such as long conversations with peers about other subjects. VBC will not be used as a time to "socialize" with peers.
4. The use of electronics is not allowed at all during VBC time. If found using one, it will be confiscated until the end of the day.
5. To follow instructions and recommendations given by the LIT team leader.
6. To be on time for training sessions and camp days.
7. To inform the LIT leader if they can't assist on any given day.
8. To be able to work with no supervision after a task has been assigned if necessary.
9. To actively participate in the camp activities (singing, listening, following instructions) and set the example for the children.
10. To keep as a high priority the security of the children in the camp: no inappropriate or unnecessary physical contact that does not fit the activity they are involved in.
11. To show initiative and ask for instructions whenever they don't have a specific task assigned.
12. After completing a task, will report back to the LIT leader for further instructions.
13. To actively be involved and HAVE FUN!

Once you have read the contract, please complete the Participant Agreement, here:
